Dan moved to amend the motion 'to commit up to \$200.00 for yearly advertising funds for Ben'. Kurtis moved the amended motion, Cynthia seconded and the amended motion passed unanimously.

Cynthia moved to allow the Conservation Commission to partner with Wild and Scenic for our bird outing on 21 May, 2017. Wendy seconded and the motion passed unanimously.

Discussion commenced on how to garner more interest in our Game Camera contest. Dan agreed to provide Sarah with information for submission to the County Courier.

There being no further business to come before the Commission, Cynthia moved to adjourn and Ben seconded. The motion passed and the meeting was adjourned at 9:36 pm.

Respectfully submitted,
Dan Cunningham, Secretary
