

Minutes from Enosburg Initiative Meeting, May 4th, 2017

Meeting convened at 5:30pm. Attending: Jim Cameron, Sandra Ferland, Suzi Hull Parent, Dinny Hawksworth, Sarah Tougas, Pierre Letourneau, Kathy Godin-Derby, Andre Viens, Ellen St. Marie, Daryl Robtoy, Michelle Desautel, Linda Depatie, Brenda Stanley, Angela Wright, Jennifer Bright.

Minutes of the last meeting were discussed, Suzi Hull Parent amended them by clarifying a "development person" meant a person to help us with development.

Dinny Hawksworth reported that she and Brian Bonk attended the trustee's meeting to invite them to join our group at our next meeting. They graciously accepted, and Trustee Ellen St. Marie was here tonight.

It was stated that it is our intention to get everyone in this group and governmental groups all together on May 18th for a joint meeting.

Linda Depatie, Sandra Ferland and Angela Wright will attend the next Selectboard meeting on May 15th, at 6:30pm, (voiced by Pierre Letourneau), to invite them to join us. Angela Wright will speak to the Planning Commission to do the same.

On the May 18th meeting we will convene at 4:30pm so that our guests can get together for refreshments and a chance to get a feel for the meeting to follow.

We will start working on a directory of all the people we are now in touch with, who they are, what they do, and how to reach them. It may be in binder form, or a word document.

We are asking Ellen St. Marie to get us some factual information about the original agreement with CHT, in regards to taxes. Ellen will also do some research on water allocations and bring it back to the group so that we may understand it better.

A smaller group will meet next Thursday May 11th at 9am at the Mighty Oak (Angela, Sandra, Suzi, Shawna) every other week, May 11th and 25th to work on anything that might need to be done between our regular meetings.

We will invite all the people on the list of businesses to the May 18th meeting, either phone calls or personal visits. The small group will discuss this on Thursday.

It was decided to place an ad in The County Courier for the week of the 11th and the 18th. Someone will also post on Front Porch Forum.

Adjourned at 7pm.
