\*New Business

Jeannie Viens expressed that she'd like to have a sign. She'd like it to be 4ftx8ft. Angela explained to her that the regulations currently don't allow a sign of that size, and that Jeannie could apply for the permit and if it's denied, she can appeal that decision. Michael explained that the regulations cannot be changed immediately and that the Planning Commission doesn't have the ability to issue a waiver.

\*Old Business:

\*Updated 'Issues, Opportunities, and Actions': This will serve as an outline for our future discussion for the items listed.

\*Plan for Focus Groups: Who will be in the focus groups? Planning Commission, DRB, Trustees, Select Board, Conservation Commission, Zoning Administrator, EBA members, Public Works, and Village Manager. (Why are the conservation areas in the Village?) First meeting will cover some zoning information and seeing maps, and making a plan for what should be seen in those districts. Second meeting will focus more on the uses within those districts based on the visions discussed. The PC will send invitations to the proposed focus group members.

\*Flood Resiliency: Stacy Pomeroy and Rebecca Pfeiffer from the Vt Department of Environmental Services gave a presentation on flood resiliency.

Steve makes a motion to adjourn. Allen seconds the motion. Vote is unanimous and the meeting is adjourned at 9:12pm.

Respectfully submitted,  
Amanda Cronin, Enosburgh Planning Commission Secretary
