Much discussion ensued in regard to many points of this proposed position.

Executive session at 8:50 by Pierre Letourneau, second by Polly Rico.

Motion by Polly Rico to include a part time grant writer position to be added into the salaries of the general fund, due not wanting to create precedence in warning employment positions as well as needing flexibility to determine details of the positions and unknown factors at this time, second by Dean Wright, all in favor, so moved.

Motion to adjourn at 9:15
