Town of Enosburgh Selectboard Meeting

Present were Polly Rico, Terry Wright, Larry Gervais, Dean Wright, Pierre Letourneau, Billie Jo Draper, Joey Clark, Bethany Remmers, Charles Johnston and Tim Dall from DuBois and King.

Public Hearing began with an overview of where the project was and time line for the future. They also mentioned that currently the old salt shed can't be torn down as it may be on the historic registry. Joey mentioned potentially shrinking the building a bit but go higher for the tall trucks and dump body lift.

Cost estimate from VTrans cost estimator is currently \$678,000. The project is currently at the stage for NEPA review.

Public hearing ended at 7:05

Joey wanted to discuss a grant which needed a signature, the selling of the old excavator and another grant for windstorm which needed a signature.

Sean Kio came in for a discussion on the by-laws for the Enosburgh Technology and Innovation Committee. Motion to approve the creation and by-laws with minor changes by Polly Rico, second by Dean Wright. Motion to approve Sean Kio as Chair and Matt Minor as co-chair by Polly Rico, second by Pierre Letourneau.

Motion to adjourn at 8:35
