Enosburgh Community Recreation Committee Hires New Recreation Director

Enosburgh – The Enosburgh Community Recreation Committee is pleased to announce the hiring of a new Recreation Director, Ivonne Kio.

Kio brings a unique perspective to this role. “As a parent and resident of Enosburgh, I am excited for the opportunity to contribute to the well-being of our community. By providing quality recreation programs and services, we have the power to enrich the lives of many.”

Kio comes to Enosburgh Community Recreation with over ten years of experience developing marketing and communication initiatives for diverse communities around the country. Throughout her career, she has led initiatives that have provided health education and access to community services, while working for companies such as Aetna Healthcare and ZGS Communications.

According to Enosburgh Community Recreation Committee member, Polly Rico, “We’re thrilled to bring Ivonne on board. Her strengths in communication and marketing will help the community better connect with Enosburgh’s recreation program, community assets, and opportunities to play. Ivonne will help us let folks know what’s going on and work toward creating opportunities to fill gaps where they exist.”

Kio has a Master’s in Business Administration with a concentration in Marketing from Saint Leo University. She also has a Bachelor’s Degree in Graphic Design and Communication from the University of Tampa. Kio resides in Enosburgh along with her husband and their daughter. Kio began her tenure as part-time Recreation Director earlier this month.

The Enosburgh Community Recreation Committee started in 2014 works to add recreational opportunities for all ages and interests throughout the community. The group also works to increase communication and awareness about existing recreational programs.
