Pollaidh Major, USDA, Rural Development Public Affairs Specialist
Laura Trieschmann, Vermont State Division for Historic Preservation
Katie Buckley

In preparation for applying for grants to assist with our down-town revitalization project, we have scheduled a meeting with the above-mentioned State officers/representatives to take part in a Village walk-about through various properties. Some of the buildings will include historic properties, vacant and/or abandoned properties and more located within our Village limits.

Directly following the “walk-about” will be the regularly scheduled Enosburg Initiative meeting at **6:30 with a pot-luck dinner**, all hosted by the Enosburg Initiative Group. The meeting will be held in its usual location at the Emergency Services Building, 83 Sampsonville Road in Enosburg. All residents, business owners and members of the public are encouraged to attend to listen to the findings of this group. All information gathered will be used in our grant application. Please make time to attend the 6:30 meeting and potluck and be part of revitalizing our downtown village. The more community involvement we have in this efforts makes our Village more competitive in grant award money.
