

# Enosburg Economic Development Steering Committee

## Minutes

February 5, 2020

Open meeting at 6:07

- Go over annual report letter

Letter looks good. Will send to town clerk to publish in the annual report.

- Look at how new members should be appointed

2 members from each governing body on committee, but 1 from each can be appointed as representative.

- Website

Sean has developed a resource website for the public. Presented to the board.

- VTRANS Scoping Study Grant

Jonathan asked him to work on the reporting of this. Discussed that Sean should check with Town road commission to see what role he should take regarding road grants.

- Grant Updates

Got \$15000 planning grant for Franklin County to address formidable 4 areas of need. Sean went to Montpelier to discuss the area need. 3 working session in April or May. Sean reported out on grants that have been applied for with various municipal groups. Talked with Fire chief to discuss information needed to apply for grants.

- Business Owner Discussions

Sean has been meeting with business owners to find out what they would like to see in Enosburg. Talked to business owners about registering with Google and what are the missing pieces for growth.

- Protocol for professional development updates.

When attending conferences report out to steering committee what was achieved by going. Trip report.

Set future agenda items.

Go over town meeting. Potential projects. Website discussion.

Other business

Discussed the role of the steering committee- the committee is a body that oversees the position and may give guidance.
