Town meeting prep/ Expectations for town meeting day- Talked about possible questions. Discussed looking forward to branding and visioning which needs public input.

Updates on projects- Sean shared EXCEL sheet showing grants applied and awarded. Working communities challenge is coming up in March.

Grants review

There is a need for departments to think ahead for projects. Polly suggested that departments submit a projected needs letter (1 yr. 3yr. 5yr). This will help with looking ahead at grant timelines and organization.

recap Post trip review- Sean sent report regarding professional development. Take away from conference was the need for pre-planning.

- suggestions for structure

Website review- Sean updated Economic Dev. Website. \$120/year for hosting website. Will link to town of Enosburgh website. Sam motions to approve the funds for hosting website. Dan seconds, all in favor.

. NRPC committees- Regional approached Sean about being on the Brownfields committee and appointed to the Regional board.
