Sean has a format we can use if needed.                      1-3 Years                      5-10 Years, etc                      Past community surveys – and do we need to do another one?                      Table for future agenda</p>	<b>Add Project Planning/Road Map for next meeting &amp; future agendas</b>
<b>Community Center Packing/Sorting</b>	<p>Officially not renting space anymore. Slowly packing space up, there isn’t a lot there.                      Tables and chairs belong to school and will stay there.                      We have a lot in the closet – can committee help with packing this area up? How to keep this Covid safe?</p> <p>A lot may need to be thrown away                      ie: donated games due to age/wear and tear/missing pieces, and we do have a grant to purchase new games</p>
